

The Mail on Sunday is most-read Sunday newspaper in the UK with over 2 million readers every week.

Edited by Ted Verity, The Mail on Sunday aims to set the news agenda for the week by delivering ground breaking, investigative journalism as well as incisive debate.

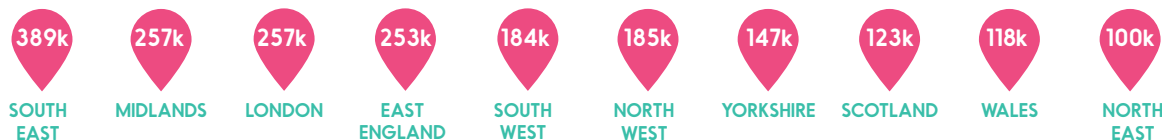

Incorporating the award-winning supplements, You and Event and must-read features such as Health, Wealth and Holidays, The Mail on Sunday is the complete package and provides readers with an entertaining and informative read every Sunday.
